

Amendments to the Claims

Please cancel claims 2-11 and 14-16.

Please amend claims 1 and 17 as shown below.

Listing of the Claims

This listing of claims will replace all prior versions and listings of claims in the application:

1. (Currently amended) A biofeedback system comprising:
a cellular telephone device, including
 a data processor, and
 a user interface including a display screen;
a biofeedback measuring device configured to contact the skin of a user and detect and measure a
 body own electrical current occurring at an acupuncture point on the user's body and to
 produce one or more biofeedback signals derived from the electrical current;
first computer readable program code for controlling the biofeedback measuring device in
 producing the one or more biofeedback signals; and
second computer readable program code for producing a display on the display screen based on
 the one or more biofeedback signals; and
third computer readable code for producing a user assistance display on the display screen
identifying the acupuncture point on the user's body for measuring the body own
electrical current.

Claims 2-11. (Cancelled)

12. (Previously presented) The biofeedback system of claim 1 wherein the biofeedback measuring device is operable to communicate with the cellular telephone device.

13. (Previously presented) The biofeedback system of claim 1 wherein the biofeedback measuring device is embedded within the cellular telephone device.

Claims 14-16. (Cancelled).

17. (Currently amended) The biofeedback system of claim [[16]] 1 wherein the third computer code produces the user assistance display user feedback for measuring the biofeedback signal and producing on the display a graphical image of measured biofeedback data.
